SMARTDRIVE[®] PROGRAMMED STEERING
FOR COMPLETE POOL COVERAGE

COVERS EVERY CORNER

Equipped with patented SmartDrive® technology, Navigator® Pro systematically travels the floor, walls* and coves of your pool, creating thorough, reliable results. And with enhanced maneuverability, it keeps moving until the job is done.

PROVIDES SUPERIOR SUCTION

By connecting directly to your pool's filtration system and installing in less than 10 minutes, Navigator Pro provides unwavering suction. Its wide vacuum inlet and unique wing design create a broad suction path dirt and debris can't escape.

MAKES MAINTENANCE EASY

Navigator Pro eliminates the need to empty debris bags, reducing overall maintenance and increasing relaxation time. Its advanced design cleans quietly and efficiently for a more peaceful backyard.

*Wall climbing capability and pool coverage may be affected by specific pool shapes and surfaces. The cleaner may not climb the wall under certain conditions.

**Different shoe types available for different pool surfaces.

OPTIONAL ACCESSORIES (SOLD SEPARATELY)

» **Leaf Canister** makes for easy disposal and longer filtration cycles by trapping leaves and other debris

» **Skimmer Vacuum Plate** automatically alternates between water filtering and surface cleaning

» **VacLock™ is a safety mechanism** for pools with an in-wall suction line that automatically closes the suction fitting when the cleaner is not in use
