

## I WILL WIN

I will win because I know respect,  
I will win because I know responsibility,  
I will win because I am smart,  
I will win because I am free,  
I will win because I am committed,  
I will win because I know sacrifice,  
I will win because I know preparation,  
I will win because I believe I will,  
And though I respect your opinion of me  
It's my opinion of me that matters most  
That's why I know I will win!
