

I WILL WIN

I will win because I know respect,
I will win because I know responsibility,
I will win because I am smart,
I will win because I am free,
I will win because I am committed,
I will win because I know sacrifice,
I will win because I know preparation,
I will win because I believe I will,
And though I respect your opinion of me
It's my opinion of me that matters most
That's why I know I will win!
