

FACE4Kids News

Sept 2021

FACE4kids motivates elementary youth to build fitness, self-esteem, and character *before* it is too late. FACE benefits from strategic partnerships that allow the 8-week program to be offered FREE during the public school day throughout the year.

FACE is back for its 18th year

FACE4Kids is excited to start its 18th year in September at 9 different elementary school locations. FACE4Kids truly is making a difference in the lives of the youth today.

It Takes a Village!

Since becoming a non-profit 501c3 in 2010, Fitness and Character Education, Inc. has been able to provide FREE classes where the youth leadership program is needed most, benefitting from strategic partnerships with so many [supporters](#) and believers in FACE4Kids.

FACE4Kids holds each school accountable with pre/post survey data metrics in 5 categories: Fitness, confidence, school effort, social skills and behavior choices. It is great to have [testimonials](#), [photos](#), requesting [locations](#) and word of mouth success. The data confirms that **every** school has improved since implementing data metrics in 2015.

Making a Difference!

FACE4Kids has created an online virtual workout and providing the majority of classes in an outdoor or cafeteria environment, while adhering to CDC guidelines for social distancing. Funding is needed to continue our mission, so please consider a donation. Thank You!
